

The following is the 2023 advertisement of delinquent taxes Advertisement of Tax Liens on Real Property for Failure to Pay Taxes North Carolina General Statutes 105-369 mandates the Watauga County Tax Collector to advertise county and Town of Boone tax liens in the name of each person to whom is listed real property on which the taxing unit has a lien for unpaid taxes, together with a brief description of land to which such a lien has attached and a statement of the principal amount of the taxes constituting a lien against the parcel. The amounts advertised will be increased by interest and costs and omission of interest and costs from the amounts advertised will not constitute waiver of Watauga County's claim for these items. Watauga County will consider foreclosing the tax liens and will sell the real property subject to the liens in satisfaction of its claim for taxes.
