Games cancelled due to inclement weather will be re-scheduled at the end of the regular season schedule.

At the conclusion of this schedule (beginning as early as June 2) the B-League/Church League will be divided into 2 divisions, based on regular season standings and will be scheduled for an additional 3 regular season games.

At the conclusion of all regular season play (all divisions), teams will be scheduled for a single elimination tournament within their division.

All teams should be prepared to play every Monday, Tuesday and Thursday through the conclusion of tournament.

Competitive Teams: 3-home run limit per game

Church & Recreational Leagues: 1-home run limit per game (ground rule double)

Participants may play with one Open League Team (in A, B, or Women's), and 1 combo team (combined with the A-League) or church league team (provided that he/she is a member or regular attendee - average 3 times per month). Any player playing on multiple Open League teams will jeopardize the team in which he/she plays and himself/herself be suspended from playing in any league for 30 days.
